

## Your Hearing Aid Program Offered Through Cigna & MILA

### Reconnecting you to all life's moments

Every moment is filled with sounds. They connect you to the people and world around you and help keep your memories full of life for years to come.

When you access your **hearing aid program** through Amplifon Hearing Health Care, you take the first step to reconnecting with the sounds that are important to you.

It's the smart decision, because, on top of great savings, you receive all this too:

- **Lowest price guarantee** — YES, plus 40% off hearing health care services
- **Risk-free 60-day trial** —100% money back guarantee if not completely satisfied
- **MILA Benefits** —Plan pays 100% up to \$1,500 per ear every 3 consecutive years

### The latest products and the best technologies:

Today's hearing aids deliver a clearer, more natural sound than ever before. Many models are equipped to reduce the background noise and are also more comfortable, more convenient and smaller than you may think — making them less visible than ever.

Plus, we have **full access to all high-quality name brand hearing aids**. So, rest assured if you need hearing aids, Amplifon Hearing Health Care has what you need with the most advanced features and sound quality available today.

### Working together, every step of the way

With the right providers, latest technology and dedicated patient care, Amplifon stays with you every step of the way, making the purchase of a set of hearing aids simple - the way it should be.
